

**Safety Data Sheet**  
**SILICON WAFER -8” SBC18 NON-COPPER**

**SDS Revision Date: 02-Mar-2026**  
**SGS Reference No.: ETN26200018**

**Section 1. Identification**

**Product identifier**

**Product Identity** SILICON WAFER -8” SBC18 NON-COPPER

**Other means of identification** Not Applicable

**Relevant identified uses of the substance or mixture and uses advised against**  
 See Technical Data Sheet.

**Details of the supplier of the safety data sheet**

**Company Name** TOWER SEMICONDUCTOR LTD.  
 4321 JAMBOREE ROAD NEWPORT BEACH,  
 CALIFORNIA 92660 USA

**Emergency**

**24 hour Emergency Telephone No.** +1 949 991 7133

**Customer Service** +1 949 991 7133

**Fax number**

PIN CODE: 18357316

## Section 2. Hazard(s) identification

Product as supplied is a solid wafer.

### Emergency Overview

**WARNING! MAY FORM COMBUSTIBLE DUST CONCENTRATIONS IN AIR (DURING PROCESSING)**

### Classification of the substance or mixture under OSHA's Hazard Communication Standard (1910.1200) revised 2024 (GHS revision 7)

The substance is not classified according to the OSHA Hazcom or WHMIS regulations.

### Label elements

The substance is not classified according to the OSHA Hazcom or WHMIS regulations.

### [Prevention]

No GHS prevention statements

### [Response]

No GHS response statements

### [Storage]

No GHS storage statements

### [Disposal]

No GHS disposal statements

### Other hazards

This product contains no PBT/vPvB/vPvM chemicals.

This product contains no endocrine disrupting chemicals.

### Section 3. Composition/information on ingredients

This product contains the following substances that present a hazard within the meaning of the OSHA's Hazard Communication Standard (1910.1200) revised 2024 (GHS revision 7).

| Ingredient/Chemical Designations   | Weight %         | GHS Classification    | Notes |
|--|------------------|-----------------------|-------|
| <b>Silicon</b><br><br>Chemical Abstract Service No. (CAS No.): <b>7440-21-3</b><br><br>Synonyms: <b>Si</b> | <b>&gt; 99.0</b> | <b>Not Classified</b> | ----- |

The actual concentration or concentration range is withheld as a trade secret.

\*PBT/vPvB - PBT, vPvM or vPvB-substance.

The full texts of the phrases are shown in Section 16.

### Section 4. First aid measures

#### Description of first aid measures

- General**                    In all cases of doubt, or when symptoms persist, seek medical attention.  
 Never give anything by mouth to an unconscious person.
- Inhalation**                Remove to fresh air, keep patient warm and at rest. If breathing is irregular or stopped, give artificial respiration. If unconscious, place in the recovery position and obtain immediate medical attention. Give nothing by mouth.
- Eyes**                        Irrigate copiously with clean water for at least 15 minutes, holding the eyelids apart and seek medical attention.
- Skin**                         Remove contaminated clothing. Wash skin thoroughly with soap and water or use a recognized skin cleanser.
- Ingestion**                 If swallowed obtain immediate medical attention. Keep at rest. Do NOT induce vomiting.
- Most important symptoms and effects, both acute and delayed**
- Overview**                    No specific symptom data available.  
 No chronic toxicity or long term toxicity information available. Treat symptomatically. See section 2 for further details.

## Section 5. Fire-fighting measures

### Extinguishing media

Recommended extinguishing media; alcohol resistant foam, CO<sub>2</sub>, powder, water spray.

Unsuitable extinguishing media: Do not use water jet.

### Special hazards arising from the substance or mixture

Hazardous decomposition: No hazardous decomposition data available.

**Explosion:** Avoid generating dust; fine dust dispersed in air in sufficient concentrations, and in the presence of an ignition source is a potential dust explosion hazard.

### Advice for fire-fighters

As with all fires, wear positive pressure, self-contained breathing apparatus, (SCBA) with a full face piece and protective clothing. Persons without respiratory protection should leave area. Wear SCBA during clean-up immediately after fire. No smoking.

**ERG Guide No.** ----

## Section 6. Accidental release measures

### Personal precautions, protective equipment and emergency procedures

Put on appropriate personal protective equipment (see section 8).

Dust Deposits should not be allowed to accumulate on surfaces, as these may form an explosive mixture if they are released into the atmosphere in sufficient concentration.

Avoid dispersal of dust in the air (i.e., clearing dust surfaces with compressed air).

Nonsparking tools should be used.

Use good personal hygiene practices. Wash hands before eating, drinking, smoking or using toilet. Promptly remove soiled clothing and wash thoroughly before reuse.

### Environmental precautions

Do not allow spills to enter drains or waterways.

### Methods and material for containment and cleaning up

Sweep up or pick up.

## Section 7. Handling and storage

### Precautions for safe handling

Handle containers carefully to prevent damage and spillage.

See section 2 for further details. - [Prevention]

### Conditions for safe storage, including any incompatibilities

Minimize dust generation and accumulation.

Routine housekeeping should be instituted to ensure that dusts do not accumulate on surfaces.

Incompatible materials: No available information.

See section 2 for further details. - [Storage]

### Specific end use(s)

No available information.

## Section 8. Exposure controls / personal protection

### Control parameters

#### Exposure Limits

| CAS No.   | Ingredient | Source | Value  |
|-----------|------------|--------|--|
| 7440-21-3 | Silicon    | OSHA   | 5 mg/m <sup>3</sup> (Respirable fraction), 15 mg/m <sup>3</sup> (total dust) |
|           |            | ACGIH  | No Established Limit   |
|           |            | NIOSH  | TWA 10 mg/m <sup>3</sup> (total) TWA 5 mg/m <sup>3</sup> (resp)              |

### Exposure controls

#### Respiratory

If workers are exposed to concentrations above the exposure limit they must use the appropriate, certified respirators.

#### Eyes

Protective safety glasses recommended.

#### Skin

Avoid skin contact. Protective gloves recommended.

**Engineering Controls** Provide adequate ventilation. Where reasonably practicable this should be achieved by the use of local exhaust ventilation and good general extraction. If these are not sufficient to maintain concentrations of particulates and any vapor below occupational exposure limits suitable respiratory protection must be worn.

**Other Work Practices** Use good personal hygiene practices. Wash hands before eating, drinking, smoking or using toilet. Promptly remove soiled clothing and wash thoroughly before reuse.

See section 2 for further details.

## Section 9. Physical and chemical properties

### Information on basic physical and chemical properties

|  |  |
|--|--|
| <b>Physical State</b>                                  | Mirror, Solid,   |

| <b>Relative Density</b>                                | No available information   |
| <b>Vapor Density</b>                                   | No available information   |

6

This document is issued by the Company subject to its General Conditions of Service printed overleaf, available on request or accessible at <https://www.sgs.com.tw/terms-of-service> and, for electronic format documents, subject to Terms and Conditions for Electronic Documents at <https://www.sgs.com.tw/terms-of-service>. Attention is drawn to the limitation of liability, indemnification and jurisdiction issues defined therein. Any holder of this document is advised that information contained hereon reflects the Company's findings at the time of its intervention only and within the limits of client's instruction, if any. The Company's sole responsibility is to its Client and this document does not exonerate parties to a transaction from exercising all their rights and obligations under the transaction documents. This document cannot be reproduced, except in full, without prior written approval of the Company. Any unauthorized alteration, forgery or falsification of the content or appearance of this document is unlawful and offenders may be prosecuted to the fullest extent of the law. Unless otherwise stated the results shown in this test report refer only to the sample(s) tested.

**Particle Characteristics**

No available information

**Evaporation rate (Ether = 1)**

No available information

**VOC Content**

No available information

**Oxidising properties**

No available information

**Explosive properties**

No available information

**Other information**

No other relevant information.

**Section 10. Stability and reactivity**

**Reactivity**

Hazardous Polymerization will not occur.

**Chemical stability**

Stable under normal circumstances.

**Possibility of hazardous reactions**

No available information.

**Conditions to avoid**

Avoid high temperatures and contact with incompatible material.

**Incompatible materials**

No available information.

**Hazardous decomposition products**

No hazardous decomposition data available.

## Section 11. Toxicological information

### Acute toxicity

Note: When no route specific LD50 data is available for an acute toxin, the converted acute toxicity point estimate was used in the calculation of the product's ATE (Acute Toxicity Estimate).

| Ingredient            | Oral LD50,<br>mg/kg                   | Skin LD50,<br>mg/kg                   | Inhalation<br>Vapor LC50,<br>mg/L/4hr | Inhalation<br>Dust/Mist LC50,<br>mg/L/4hr | Inhalation<br>Gas LC50,<br>ppm |
|-----------------------|---------------------------------------|---------------------------------------|---------------------------------------|---|--------------------------------|
| Silicon - (7440-21-3) | > 5,000.00, <i>Rat</i> - Category: NA | > 5,000.00, <i>Rat</i> - Category: NA | No data available.                    | No data available.                        | No data available.             |

### Carcinogen Data

| CAS No.   | Ingredient | Source | Value                     |
|-----------|------------|--------|---------------------------|
| 7440-21-3 | Silicon    | OSHA   | Regulated Carcinogen: No; |
|           |            | NTP    | Known: No; Suspected: No; |
|           |            | IARC   | No                        |
|           |            | ACGIH  | No Established Limit      |

| Classification                | Category | Hazard Description |
|-------------------------------|----------|--------------------|
| Acute toxicity (oral)         | ---      | Not Applicable     |
| Acute toxicity (dermal)       | ---      | Not Applicable     |
| Acute toxicity (inhalation)   | ---      | Not Applicable     |
| Skin corrosion/irritation     | ---      | Not Applicable     |
| Serious eye damage/irritation | ---      | Not Applicable     |
| Respiratory sensitization     | ---      | Not Applicable     |
| Skin sensitization            | ---      | Not Applicable     |
| Germ cell mutagenicity        | ---      | Not Applicable     |

| Reproductive toxicity         | ---      | Not Applicable     |
| STOT-single exposure          | ---      | Not Applicable     |
| STOT-repeated exposure        | ---      | Not Applicable     |
| Aspiration hazard             | ---      | Not Applicable     |

**Possible routes of entry:**

Inhalation, ingestion, skin contact, and skin absorption.

**Symptoms and effects, both acute and delayed:**

No specific symptom data available.

No chronic toxicity or long term toxicity information available. Treat symptomatically.

**Section 12. Ecological information**

**Toxicity**

No additional information provided for this product. See Section 3 for chemical specific data.

**Aquatic Ecotoxicity**

| Ingredient            | 96 hr LC50 fish,<br>mg/L | 48 hr EC50 crustacea,<br>mg/L | ErC50 algae,<br>mg/L                    |
|-----------------------|--------------------------|-------------------------------|---|
| Silicon - (7440-21-3) | No data available.       | No data available.            | 250.00, <i>Raphidocelis subcapitata</i> |

**Persistence and degradability**

There is no data available on the preparation itself.

**Bioaccumulative potential**

No available information.

**Mobility in soil**

No available information.

**Results of PBT and vPvB assessment**

This product contains no PBT/vPvB/vPvM chemicals.

**Other adverse effects**

No available information.

### Section 13. Disposal considerations

**Waste treatment methods**

Observe all federal, provincial and local regulations when disposing of this substance.

### Section 14. Transport information

|                                   | <b>DOT (Domestic Surface Transportation)</b>       | <b>IMO / IMDG (Ocean Transportation)</b>           | <b>ICAO/IATA</b>                                   |

**EPCRA 302 Extremely Hazardous:**

To the best of our knowledge, there are no chemicals at levels which require reporting under this statute.

**EPCRA 313 Toxic Chemicals:**

To the best of our knowledge, there are no chemicals at levels which require reporting under this statute.

**Proposition 65 - Carcinogens (>0.0%):**

To the best of our knowledge, there are no chemicals at levels which require reporting under this statute.

**Proposition 65 - Developmental Toxins (>0.0%):**

To the best of our knowledge, there are no chemicals at levels which require reporting under this statute.

**Proposition 65 - Female Repro Toxins (>0.0%):**

To the best of our knowledge, there are no chemicals at levels which require reporting under this statute.

**Proposition 65 - Male Repro Toxins (>0.0%):**

To the best of our knowledge, there are no chemicals at levels which require reporting under this statute.

**Proposition 65 Label Warning:**

This product contains no chemicals known to the State of California to cause cancer and birth defects or other reproductive harm.

## Section 16. Other information

**Revision Date** 02-Mar-2026

The information and recommendations contained herein are based upon data believed to be correct. However, no guarantee or warranty of any kind, expressed or implied, is made with respect to the information contained herein. We accept no responsibility and disclaim all liability for any harmful effects which may be caused by exposure to our products. Customers/users of this product must comply with all applicable health and safety laws, regulations, and orders.

Refer to NFPA 654, Standard for the Prevention of Fire and Dust Explosions from the Manufacturing, Processing, and Handling of Combustible Particulate Solids, for safe handling.
